SERVICE NOTES:

Our deep gratitude to Mrs. Ramsey and the Best Theater for use of the facilities ... to David Weinkauf for his assistance ... to Professor Richard Myers of Kent State University for the Kent film ... to the labor movement members for the Bess Myerson film ... to those who participate this evening ... to all of you for coming tonight.

Please be generous with your donations to the Kent Defense Fund. The film was made to augment the income of this organization. You can show your support and concern in a tangible way through the offering baskets in the lobby of the theater. Our goal is a contribution of $100 from the people of Edinboro.

The theater must be left in good order. Please take litter with you and help to clean up following the service tonight. Thank you!

Tonight's gathering marks the anniversary of the service held one year ago in the Lutheran Church following the tragedy at Kent.

AGENDA (more-or-less) FOR TONIGHT:

1. "Crisis at Kent" - a film made by those who were there
2. Welcome/Explanation/Comments - Pastor "Deak" Ralph, Lutheran Church
3. Readings - members of the Newman Club at ESC
4. Music and other things
5. Introduction of guests
6. Film - "You Don't Have to Buy War, Mrs. Smith" from Another Mother for Peace
7. Concerns and Other Things - a sharing time with Pastor George Lower, United Campus Ministry
8. Announcements - departure

The evening might be a little long. We originally planned for an hour meeting, but ... If you feel you have to leave early, feel free to do so. But remember those offering baskets on your way out!

"HAPPY ARE THOSE WHO WORK FOR PEACE . . .

. . . GOD WILL CALL THEM HIS SONS." -Jesus
Where We Stand

1. We believe that poverty, racism, and social injustice are symptoms of man's basic problem: ego-centeredness and rebellion against the infinite-personal God.

2. We believe that if we are to solve these problems, man must be changed from within!

3. We believe that involvement in the present conflict is a personal decision. We are not religious dictators. We judge no one. Responsible convictions must be respected.

4. We believe that the revolution occurring today is not revolutionary enough! It seeks to change the system, but does not deal with the self-centered attitude of man.

5. We believe that it is not enough to merely end the war; we are also concerned about man's problems of greed; lust; hate; prejudice; anger; anxiety; boredom; bitterness; sexual, social and economic exploitation; dishonesty; purposelessness; frustration; fear; lack of peace; jealousy; strife; envy; impurity; bigotry; intemperance; insolence; materialism; pride; and self-righteousness.

6. We believe that only Jesus Christ has the power to permanently change man from within and to produce true peace, love, and fulfillment.

7. We believe that religion in itself is not the answer to man's basic problem. Many have said, "Religion is the opiate of the people." Jesus of Nazareth said, "If therefore the Son shall make you free, you shall be free indeed."

8. We believe that religion and philosophy are man's best attempts to find God. Jesus Christ is God's best effort to reach man.

9. We believe that a relationship with Jesus the Christ begins when a person receives Him into his life as his personal payment for sin. Jesus then gives liberation from self-centeredness, inner power for life, and complete forgiveness from sins. As Jesus said, "Behold, I stand at the door (of your life) and knock; if any man hears my voice and opens the door, I will come in to him . . ."

10. We believe that the solution to man's problems lies in "Spiritual Revolution." "When my people, who are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then I will hear from heaven and will forgive their sins, and will heal their land." — God (II Chronicles 7:14)
