MEMORIAL BENEFIT COMMITTEE

The Memorial Benefit Committee was formed in the spring of 1988 as a student run organization whose purpose is to raise awareness and funds for the building of the May 4 Memorial.

Through their efforts, MBC has already raised over $1000 in the short time they have been together, and plan further fund raising events for next year.

The Memorial Benefit Committee is run by students who are concerned about the building of a memorial and the lasting tribute it will leave. MBC asks for your continued support in achieving this goal.

If you would like to contribute to the memorial fundraising effort, please send all donations to:

Kent State Foundation, May 4 Memorial Fund
Kent State University, Kent, Ohio 44242
