Silent Candlelight Vigil

The Annual Candlelight March will begin on the Commons, proceed around the campus, and conclude at the Prentice Hall parking lot. The 12 hour vigil will begin.

Candlelight Vigil: After the conclusion of the march, the vigil begins on Prentice Parking Lot where the four slain students were shot. One individual stands in each spot where the students were shot and holds a memorial candle. Time slots are in half-hour increments and last until 12:24 AM on May 4 when the final four vigil members light the candles to the Commons where the Commemoration Program is being held.

The bell is rung annually at the conclusion of the May 4th Task Force at 5:00 PM.

All events FREE and OPEN to the public on all days!
