UNIVERSITY SOLICITATION AND SALES PERMIT

Any registered student organization or university department shall deposit with the Student Activities Office an account of the names of the individuals directing sales, solicitation or fund raising, the time period for the activity, the use of the revenue, the method and the location of the activity. This material shall be public record in the Student Activities Office. A copy of the registration form will be filed in the Student Activities Office as a matter of public record. A copy must be displayed at the site of the solicitation/sale for verification.
